<b>C</b> Zipper (cm)	49	50	51	52	53	54	55	56	57	58	59	60	+/-2

## How to measure

It's too easy!

1. Grab your favourite jersey
2. Lay it flat
3. Measure across the chest from armpit to armpit at the widest point
4. Check the measurement on our size chart and that's the one for you
5. In-between sizes? Go a size up for comfort, or size down for tight fit
