# GETTING STARTED CHECKLIST

The Great Vic Bike Ride is a unique school camp. We take care of the food, campsites, medical and on-route support allowing you to focus on your development goals and preparation in the lead up to the event. Here's a handy checklist to get your school started to best prepare for a week in another world.

Get your school approval

2

Confirm with the Great Vic Schools team you're coming!

Begin submitting your registrations via Race Roster

6

Kickstart your training (suggested 12 weeks prior)

7

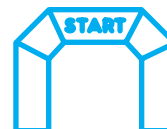

Organise your transport to and from event (school charters or Bicycle Network's transport)
