The Event

[The Great Vic Bike Ride](#) is a rolling bike riding and camping festival that moves to a new town each day. In 2024, we are celebrating the 40th anniversary of the iconic event which started back in 1984. This year's ride takes us from Wodonga to Healesville, showcasing all the best parts of northeast Victoria. You can expect amazing scenery, charming host towns and of course, great company! This event couldn't happen without the support of more than 200 volunteers. Volunteering is a great way to share your skills, learn new ones, meet likeminded people, support the bike riding community, explore the Victorian countryside and be a part of an iconic event. Join our team today!

The Role

SAG stands for Support and Gear and the SAG Wagons are our on-route support vehicles which pick up riders who can't ride any longer. As part of the SAG team you will be working in teams of two to drive along the rider route keeping an eye out for any riders who need to be collected. You'll assist them with putting their bike on the trailer and transport them through to the next campsite. You will have a plan to follow for where you should be located throughout the day, but it may change as different weather conditions and environments affect the riders.

Your role will involve:

- Driving safely along the rider route in a 12 or 22-seater bus with a bike trailer attached.
- Collecting any riders who are unable to continue and transporting them to the campsite.
- Assisting riders to securely place their bike on the trailer.
- Keeping a logbook of any riders who have been collected.
- Maintaining regular contact with Event Assistance and other support vehicles.
