## Slalom Plaza

Slalom Plaza is a hub of activity in Winter and is the home base of many of the Summer events.

At Slalom Plaza, you'll find the Foodworks Supermarket, Australia Post, the Visitor Information Centre as well as great places to eat and drink all-year round. Immerse yourself in the history of Falls Creek at the Falls Creek Museum.

In Winter, head to Slalom Plaza to access Halley's Comet Chairlift for the fastest and easiest access to Ski School and Cloud 9 Restaurant. In Summer, grab a picnic and a spot on the lawn, with views of Spion Kopje in the background, you can plan your next Summer adventure at Falls Creek.

## Village Bowl

The Village Bowl is where the slopes meet the village. In Winter, the Village Bowl is where you can ski or snowboard down to lunch and après in style. At the bottom of the Summit Chairlift stands the Frying Pan Inn, a Falls Creek institution that's open for most of the year.

In Summer, you'll find the Village Bowl coming alive with activity. There's Tennis Courts, a bike pump track, and the Aqueduct Trail is accessible.

## Windy Corner

Head to the dedicated toboggan slope at Windy Corner for the best place to experience the fun of tobogganing.

Windy Corner is also the best place to access the Cross-Country (XC) trails at Falls Creek. You can organise XC ski hire, grab a coffee and snack from the Windy Corner Café (open in Winter) and get a map to explore the trails on the surrounding Bogong High Plains.

## What's on and what to do at Falls Creek

Be sure to check out the Falls Creek website [www.fallscreek.com.au](http://www.fallscreek.com.au) for the latest news and happenings at Falls Creek. You can also find maps of the MTB trails, walking and hiking trails, XC skiing trails and the Summer arts and heritage trail online.

The Falls Creek Facebook page and Instagram page will keep you inspired and informed about Falls Creek and what's happening at any time of the year.

The team at the Falls Creek Visitor Information Centre are knowledgeable and friendly bunch and can suggest activities all year-round. Pop in and say hi and get the local tips on what to do at Falls Creek.

## Getting around Falls Creek in Summer

In Summer, the roads in the village are accessible for vehicles and there is parking in the village. On busy event weekends, there may be parking restrictions enforced so keep an eye on the parking signage throughout the village.

## Getting around Falls Creek in Winter

Falls Creek is a compact village and everywhere is walkable all-year round. When there's snow on the roads in Winter, it becomes a beautiful ski-in ski-out village allowing access to most places in the village via skis or a snowboard. When there isn't snow on the roads in the village, visitors can drive to their accommodation, drop their luggage off, park their car in the longer term parking at the bottom of the village and get the Accommodation Transfer Service to their accommodation.

During the declared snow season, a free oversnow shuttle service circulates along designated routes through the village between 8am and 5:30pm daily on a 20-minute cycle, depending on demand. This service will extend to 9pm on Night Skiing evenings. Please queue at the nominated shuttle stop locations and be aware that passenger preference may be given to families with young children and the mobility impaired.

There is also a free shuttle bus service that travels along the Bogong High Plains Road between Windy Corner, Slalom Plaza ATS and the Gully Chairlift on a 15 minute cycle between 8am and 5:30pm daily. Use this bus to access the Windy Corner Toboggan Slope, Cross Country Ski Trails and Gully Chairlift to the Village Bowl.

Due to space restrictions, no luggage is allowed on the shuttle busses except skis, snowboards and personal shopping.
