TOMORROW'S RIDE

MONDAY NOV 24 | MORTLAKE TO KOROIT

RIDING ROUTE OPEN: 8:30-10:30am
NEXT CAMPSITE OPENS: 12:30pm

 **DISTANCE**
61km

 **ELEVATION**
212m

With fresh legs, you'll kick off the ride with a scenic ride into Koroit. Rolling through lush farmland and sweeping views of Tower Hill's ancient volcanic crater, you'll feel the energy build with every pedal stroke.

REST STOP:

BBQ lunch- Grab a classic BBQ lunch cooked by the Grasmere Primary School community, with all proceeds supporting the school.

They'll also be running a Christmas raffle, so don't forget to grab a ticket while you're there.

TOMORROW'S WEATHER

Temperature: 27°C

Cloudy with sun

WARBY TOP TIP - Attitude

Enjoy the views, stop, rest and relax. It's a holiday, not a race. There is nothing wrong with walking up a hill, just be sure that you don't get in the way of those still pedalling. Get going early, particularly on hot days – beat the heat. If it's a big day, don't think of the entire day's ride distance, just the small section until your break. The worst that can happen is that you will be slow or need some help – neither of these conditions is terminal!

ENCOURAGEMENT ON ROUTE

Keep an eye out for lots of friendly waves and colourful window drawings from the students at Woolsthorpe Primary School as you pass!

SAFETY AND RIDING

EXPECTATIONS ON RIDING - ALL WEEK

- We ride on open roads, with regular traffic, including trucks and tourist vehicles.

- All normal road rules apply.

- Keep left, no more than two abreast. Ride single file when it is safer or when signed.

- Never cross over the centre line or pass on the left.

- Take extra care when passing other riders.

- Follow all directions from Victoria Police, traffic controllers and route marshals – they are there to keep you safe and to reduce the impact on local communities.

- Communicate clearly: call "passing", "slowing" and "stopping"; point out any hazards to others.

- Use lights whenever visibility is poor.

- The WARBYs and our Route Team are out there to support you – flag them down if you ever need help.

MAL EMBARKS ON 14TH GREAT VIC

Hi everyone,

I'm from Sydney, and have been travelling to Victoria for 14 of the last 17 years for the GVBR. I missed 2011 and 20/21 due to Covid.

I thoroughly enjoy the event which keeps me coming back. I travel to Victoria each year as NSW offers nothing like it.

Every ride has been unique in beautiful locations and routes with varying weather and challenging climbs (as well as some challenging camp sites!).

I love the country towns and their bakeries. The camaraderie of participants, organisers and volunteers has been exceptional.

I have become great friends with a gang of regulars from Melbourne and we ride together on the GVBR as well as other times throughout the year.

I'm a bit sad about only riding for 5 days this year compared to previous years, but am looking forward to the reduction of packing up and setting up!

I'm keen to see how the new format pans out and how it compares to previous years.

Keep safe and see you on the road for GVBR 2025. - Mal Lepherd

Mal on his first Great Victorian Bike Ride which was also along the Great Ocean Road back in 2009.
